

How to boost your confidence

27/6/17. Pearson Business School, 190 High Holborn, London, WC1V 7BH

The first event in our new 'Soft Skills for Hard Results' series looks at how you can boost your confidence and make a greater impact in your organization and career.

In this session, Pamella Barotti will share practical tips, techniques and exercises based on the latest scientific research, body language and coaching methods to help you to boost your confidence and empower you to make a positive impact in your personal and professional life.
